We've won three of four Tribe fans, and man does it feel good. The middle of the lineup went nuts last night, with Asdrubal, Victor, and Choo all going 4-5 with multiple extra base hits. In today's B-List, Buff hits on the streaky nature of streaks, the difference between Cliff Lee and Fausto Carmona, Asdrubal at shortstop and Jhonny at third base, and also says a word or two about sportsmanship and professionalism. Let's keep it going this weekend Tribe!
