Not many teams are enjoying inter-league play as much as the Indians, who ran their record against National League team to a flawless 6-0 with a three-game sweep of the surprisingly ept Pirates. Justin Masterson was the pitching goat because he gave up a second run. Carlos Carrasco nearly burst into tears as the Tribe scored a second run for him.

The bullpen chipped in with a bunch of zeroes and a win for their collective trouble.

Oh, and a walk-off homer.

Yeah, that was pretty good.

Okay, who had “five runs on nine hits” in the pool? You lost the first one.

[redacted] and Mike Brantley can go back to hitting well any time now. No need to wait. Go get 'em, son.
