David Huff began the day with only a tough-luck loss on his resume and finished it with the Tribe's first complete game (and first post-game pie) of the season. Huff was masterful, and gives Buff some hope that this season will be a fundamental "step up" for Huff. Shin-Soo Choo gets the only meaningful hit, but the hit was meaningful enough to have meaning, as it were, while the Rangers Keystone Cop^Hmbo proved instrumental as well. Bring on the Evil Sox!
