Carlos Carrasco's wonderful 2010 debut was marred by yet another bullpen botch-up, and today's B-List covers all the interesting happenings, and then a bunch of other stuff, too. Carrasco's long-term future is discussed, while a root of much evil is identified, and a pitcher is compared to a character from "Highlights." A player from the past makes a guest appearance in an effort to short-circuit your brain, and Shin-Soo Choo is still really good. Cleveland left fielders? Not so much.
