Jason Kipnis, 2B-COL: 2-4, 2 HR (11), 2 RBI, 2 R, 2 K.

Kipnis must be feeling left out after seeing Cord Phelps and Lonnie Chisenhall get the call to Cleveland and leave him in Columbus. He has three straight multi-hit games, and now 3 HR in his last 8 at bats. For the season, he's hitting a solid .295/.377/.523, but he's really come on in the month of June, going for a .309/.404/.608 line with 6 of his 11 HR. His numbers are actually better than Chisenhall's, and it's going to get really tough to justify keeping him in AAA much longer if this keeps up.

- **Jenmar Gomez, SP-COL:** W (8-2), 5 1/3 IP, 3 ER, 9 H, 8 K, 2 BB. Gomez is 4-1 with a 2.18 ERA in June. He has 36 K against 14 BB in his 41 1/3 IP this month.

- **Zach Putnam, RP-COL:** 1 2/3 IP, ER, H, 3 K, 2 BB. Putnam gave up a solo HR, but bounced back to record 3 of his 5 outs via the strikeout. He has 16 K in his last 13 1/3 IP.

- **C.C. Lee, RP-COL:** IP, H, 2 K. Two appearances for Lee, 2 1/3 scoreless innings, 4 K since being promoted to AAA Columbus.
- **Josh Judy, RP-COL:** S (12), IP, K. Judy hasn't given up an earned run in his last 9 2/3 IP.
- **Jared Goedert, 1B-COL:** 3-4, HR (4), RBI, R. Goedert snapped out of an 0-19 slump with a big day. Not hitting for average, but does have 7 HR in 114 AB between AA and AAA.

- **Austin Adams, SP-AKR:** 7 IP, 2 ER, 6 H, 6 K, BB. Like Josh Tomlin, Adams is a converted SS. Unlike Josh Tomlin, Adams routinely touches the high-90's with his fastball. When he limits the walks, Adams pitches deep into games and has a lot of success. When he struggles to find the strikezone, he rarely makes it out of the 4th inning.

- **Cory Burns, RP-AKR:** S (20), IP, H, 2 K. After struggling in May, Burns is back to his old self in June. He's thrown 12 1/3 scoreless innings this month, with 12 K and just 4 H and 1 BB.

- **Nick Weglarz, DH-AKR:** 2-2, RBI, 2 BB. Weglarz continues to get on base and a borderline remarkable rate. His OBP in 17 games for the Aeros is .446. His OPS is .858. All this despite a .196 batting average. He has 10 hits, just 3 of which have been singles including the two last night.
- **Jordan Henry, CF-AKR:** 2-3, 2B, BB, R. Henry is up to .390/.468/.415 in his last 10, and even managed an XBH last night! Still waiting on his 1st professional HR though, as the 7th round pick in 2009 has yet to go deep.

- **Steven Wright, SP-KIN:** 8 IP, 3 ER, 9 H, 7 K, 3 BB. The knuckler must have been dancing yesterday, as Wright turned in 8 solid innings for the K-Tribe. He's now appeared in 9 games in Lake County, 1 in Columbus, 1 in Akron and 2 in Kinston. They really need to work in an appearance at Mahoning Valley for him at some point this season.

- **Roberto Perez, C-KIN:** 2-3, 2 BB. Perez has been outstanding in June, hitting .313/.443/.500. Not sure I've mentioned it lately, but I love me some Roberto Perez.

- **Chase Burnette, 1B-KIN:** 1-5, HR (2), RBI, R. Burnett homered in the 9th to bring the K-Tribe within one…

- **Tyler Cannon, 2B-KIN:** 1-4, HR (4), RBI, BB, R. …and Cannon followed with a solo blast of his own to tie the game and force extras.
- **Cole Cook, SP-LCC:** W (3-8), 5 IP, 3 R (2 ER), 7 H, 8 K, 2 BB. The 8 K for Cook represent his career high, and it's good to see him missing some bats for a change.

- **LeVon Washington, CF-LCC:** 2-4, 3B, 2 RBI, BB, SB, 3 R. Washington really filled the stat sheet yesterday, and is starting to heat up a little. He has hit in 6 straight, and has gone 12-32 over that span with a pair of triples.

- **Jesus Aguilar, 1B-LCC:** 1-4, HR (14), 2 RBI, BB, 2 R, K. BBJA leads the organization in homers with 14, and is slugging .763 in June.
- **Bryson Myles, RF-MVS:** 2-4, 3B, RBI, 2 SB, 2 R. Myles is up to .300 on the season for Mahoning Valley, and has stolen 5 bags without being caught.
- **Tony Wolters, SS-MVS: 2-5, 3B, RBI, R.** Wolters has been on base in 10 straight games for the Scrappers, and has an impressive .924 OPS in his 11 games on the season.

- **Alex Lavisky, DH-MVS:** 2-4, RBI. Lavisky's struggles have continued in Mahoning Valley, as even after yesterday's 2-4 he's hitting just .186/.271/.233 in 11 games in the New York-Penn League.
