
I am not going to sit here and pretend that the 1970s were better than any other decade in our history. The United States' Cold War with the Soviets carried the implied threat of a nuclear strike. The war in Viet Nam was a confusing, polarizing mess. Civil unrest and failed leadership both resulted from, and contributed to, public discord.

Unquestionably, however, between music, movies, and the like, the entertainment industry was highly compelling. And while it was true that television markets were limited to a handful of available channels, the American public was treated to plenty of intrigue in the sporting world.
